**DAYTON DENTIST RECEIVES PRESTIGIOUS FELLOWSHIP FROM
ACADEMY OF GENERAL DENTISTRY**

Dayton, NV, June 9th, 2018 - The Academy of General Dentistry (AGD) is pleased to announce that Julio E. Escobar DDS, of Reno, NV received the prestigious Fellowship Award during the AGD's convocation ceremony, a commencement celebration that recognizes AGD member's commitment to excellence in dental education. Held at the AGD's scientific session on June 9, 2018 in New Orleans, L.A., Dr. Escobar accepted this award along with more than 267 other recipients.

The Fellowship Award is presented to dentists looking to provide the highest quality of dental care by remaining current in their profession. In order to receive this award, Dr. Escobar completed 500 hours of continuing dental education, passed a comprehensive written exam and fulfilled three years of continuing membership with the AGD. As a recipient of this award, Dr. Escobar has joined an elite group of more than 16,839 members of the dental community who understand that great smiles and good oral health for their patients are the result of going above and beyond basic requirements. The Fellowship Award symbolizes excellence in the dental profession and a commitment to providing exceptional patient care.

"The AGD is proud to honor Dr. Escobar for his commitment to continuing education and dedication to providing his patients with advanced and exceptional oral health care," says AGD President Manuel A. Cordero, DDS, CPH, MAGD, "Dr. Escobar has gone above and beyond his duties, distinguishing himself professionally amongst his peers and exemplifying his allegiance to the dental community."

Dr. Escobar graduated from University of Michigan in 2007 and currently practices dentistry in Dayton, NV. In addition to the AGD, Dr. Escobar is a member of the ADA, NNDS.

According to the U.S. Bureau of Labor Statistics there are an estimated 110,400 General Dentists who are employed directly in the field of dentistry. A general dentist is the primary care provider for patients of all ages and is responsible for the diagnosis, treatment, management and overall coordination of services related to patients' oral health needs.

About the Academy of General Dentistry

The Academy of General Dentistry (AGD) is a professional association of more than 40,000 general dentists dedicated to providing quality dental care and oral health education to the public. Founded in 1952, AGD is the largest association for general dentists in the world and serves the needs and represents the interests of general dentists. For more information about AGD, visit, www.agd.org.
